

YOUTH WORKSHOPS

At Omnia's Youth workshops, you get to do real work and to develop your skills. Your daily life becomes structured, and you will receive support to learn about study options and job seeking. You can also prepare for entrance examinations during the workshop period. At Youth workshops you are welcome as you are.

Our workshops are located within easy reach at Espoo's Kuusiniemi and Kirkkonummi center.

"The best thing at youth workshops is that you get to work."

Why should you join youth workshops?

- you will learn about different professions at your own pace with the support of professionals
- you will do meaningful things and get guidance towards working life and studies
- you get up-to-date information on labor market and study options
- during the workshop period you may be entitled to unemployment benefits.

Youth workshop is for you, if

- you live in Kirkkonummi, Espoo or Kauniainen
- you are 16–29 years old
- you do not have a place of work or study or
- you are about to interrupt your studies.

At the youth workshops, you get

- work experience and working life skills
- support for your own well-being
- individual and group coaching for your plans
- support for practicing the Finnish language in a working environment.

At the workshops, you will have the opportunity to

- demonstrate your accumulated competence and complete a vocational qualification unit
 - accomplish various passport and card trainings
-

**Do you want to hear more or come to meet us?
We organize visits to the workshops every week.**

More information on the workshop activities is available on
Omnia's website and TE office.
