

MULTILINGUAL ORIENTATION TO FINNISH SOCIETY

(English Language)

OBJECTIVE

The objective of the orientation is to provide basic information on integration, Finnish society and work-life.

TARGET GROUP

The orientation is intended for people who are in the initial stages of integration in Uusimaa.

DURATION OF EDUCATION

20 days (Mon-Fri) between 9.00-15.00

THE CONTENT OF THE IMPLEMENTATION

- Basic knowledge of the Finnish society and services.
- Basic knowledge of the work-life and the labor market.
- Human rights, equality, and non-discrimination.
- The objectives of integration, integration, and employment services (career coach), and the structure of integration education in the Helsinki metropolitan area.
- Self-guidance and responsibility in studies, learning skills and language study.

GROUP SIZE

10-18 students.

VENUE AND METHOD

Students can participate to the orientation either on-site at the Careeria or online (Teams). The education can also be conducted entirely through online or hybrid. Classroom teaching takes place at Careerias's campus at Lämmittäjänkatu 2 A, Helsinki.

A teacher who speaks the student's native language contacts the student before the orientation begins and the content of the training will explain. If the orientation is online, the teacher makes sure that the student knows how to use the application (Teams).

CERTIFICATE

Students will receive a certificate for the completed orientation.
