Online Safety Card Training in English

Occupational Safety Card?

Akkad Group Oy, in cooperation with Vantaa Employment Services (**Vantaan työllisyyspalvelut**), is offering a **free Occupational Safety Card training**. This training is only for jobseekers who are registered clients of **Vantaa Employment Services**. The **Occupational Safety Card** is one of the **most important certifications in Finland**. It is commonly required in many fields, such as construction, cleaning, transportation, factories, and more. Now you have the opportunity to complete the training **for free, in English, and online**.

How to sign up for the training?

Contact your personal advisor at **Vantaa Employment Services** (Vantaan työllisyyspalvelut), and they will register you for the course.

Safety Card training

You can do the training **online** with a **phone** or computer

Contact your **personal advisor** to find out about upcoming courses.

After the training, you will get the **electronic safety card** right away, and you can start using it immediately
