

# JOB SEARCH SUPPORT WORKSHOPS

Do you need support with your job search, help describing your skills, or guidance in planning your next steps? Join our free workshops where you will receive practical tips and support for your job search.

The workshops are designed for you if you want to strengthen your job search skills and move forward toward a new career path.

In the workshops you will

- clarify your strengths and skills
- improve your job search documents (CV, cover letters)
- get support in finding job opportunities
- strengthen your job search skills, for example by using AI tools
